

## Greenyard adjusts financial calendar as of May 2024

Sint-Katelijne-Waver, Belgium, 26 April 2024

Greenyard announces its decision to bring forward the release of its audited annual financial results to the third (full) week of May, communicated through an annual communiqué, which precedes the standard mid-June publication date of the annual financial report. This adjustment to the financial calendar will be implemented starting from fiscal year 2023/2024 and will continue in subsequent years.

Consequently, the annual communiqué for FY 2023/2024 is now set to be published on May 23, 2024. The earlier publication date will allow stakeholders to access information earlier, and to gain insight into Greenyard's key figures before the start of the summer recess. The financial calendar on the Greenyard website will be adjusted accordingly.

Furthermore, the publication date of the annual financial report remains unchanged, scheduled for June 19, 2024.
